Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Taylor is a little nervous about her first masturbation scene.
She's a tanned and flat-chested blonde beach bum with a shaved slit. There's a short interview with Taylor so you can get to know her before wanking.

Jordan is a college cutie who soaks her cotton panties on a balcony.
She's on vacation in Florida, so she decides to get wild with the beach winds blowing in her hair. Everyone on the streets below could see her cum.

Katie is only 18, and she's already filming her first fuck scene.
She has a thick Alabama accent, and she filmed this scene because she wanted to experience a big cock. She gets it and enjoys every second of her debut porno fuck scene.

Kaylee has a cute, small bush.
She's from Philly, but she ventured down to our Florida headquarters to fuck a much-older stud.

Haileey is a 20-year-old waitress from Columbus, Ohio.
She has some hidden tattoos, so you know she goes wild on a porno cock. She's begging for a big one, and even after she's milked our stud, she still demands we give her more.

Jena is 39, hairy as fuck and her bush gets sopping wet as she cums.
She has thick, dark hair and milky-white skin. She's elegant-looking even when she's butt-naked, spreading her pussy lips and asshole for the world.

Rosie poses with a full bush, then she shaves and masturbates.
You get to see two wildly different versions of this sexy 24-year-old redhead from Derby, England.

Short-haired 18-year-old Heidi cums.
She's young, flat and has rock-hard nipples. She masturbates with a purple toy on a folding lawn chair outdoors.

Bambi is nervous for her first scene, but she cums anyway.
She's a smiling brunette with adorable freckles, a shy smile and firm, still-growing tits. She uses her fingers on her tight slit until she leaks girl cum.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Lalipop*

Age: 23
Height: 5'4"
Weight: 112 lbs.

"I made myself a sexual checklist of things I want to do before I settle down. There are some typical things on there, like threesomes, double penetration, exhibitionism, and stuff like that. But a few of them are inspired by the porn I watch. I want to do a blowbang, where I'm on my knees between a bunch of guys, sucking them all off before they all jizz in my mouth or on my face or chest."

Odessa

Minneapolis, Minnesota

Odessa is a smart, bubbly flirt who knows how to have a good time. She just broke up with her last guy, and she's enjoying dating again. "It's so much fun," she mused. "I like going to the movies, taking walks, chatting and just generally getting vibes from guys. One time, I hit it off really well with a guy, so I blew him in the park! That was the only time I've ever done something sexual in public, but it felt very exciting."

When we asked Odessa how she usually dresses, her response came as a surprise. "I like to dress like a slut when I go out. I like getting attention. If I make a guy's head turn to check me out, I feel like I'm doing something right. Oh, and I don't usually wear underwear," Odessa informed us. "If I have to, I'll wear thongs, but I really don't like panties. It feels so much better going commando. My girlfriends think I'm nuts, but it's just my preference."

Odessa told us that she has some pretty out-there kinks. "I have a fantasy where I fuck one of my dad's friends. I have daddy issues, for sure. I'm into BDSM, and I like the daddy/daughter porn kink. So, yeah, I have a thing for older guys. If I could find a guy in his 40s who was willing to make love to me when I wanted it, and spank my ass, tie me up, make me beg while he fucked me and used me, I think I'd marry him! Age gaps don't bother me at all."

She wants to be filled.

"I'm into anal. I can even cum from it. I want to try double penetration someday. I've done it on myself with my toys, but I bet it feels insane with two big cocks. The dream would be if they both came in me at the same time."

Lystra

Los Angeles, California

Lystra was born in Seoul, South Korea, but she was raised in California. "It's so funny to me when Asian guys will try to flirt with me in their languages, and I'll respond with my valley girl accent. It throws them for a loop, especially because I'm really into comics and cosplay, and guys who share my hobbies can be nerdy and shy. That's totally not my type, like, at all. I like guys who are strong and charming and know what they're doing in the bedroom."

"The first two things I look for in guys are their eyes and their arms. Eyes show character. And arms, well, when I see big, strong arms on a guy, I think about getting choked and it turns me on. One time, with an ex, I dressed up like Chun-Li, a girl warrior from Street Fighter, and we had very fun, rough sex. He choked me as the characters do in the game while I rode his cock. He came inside me, but not before I squirted on his cock."

Bust out the lube!

"When I'm crazy horny, right around when I'm ovulating, I'll masturbate for hours and hours. I can't ever seem to get enough. I have an entire drawer of toys, and I'll use each and every one until they've all made me cum."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

Died in the Saddle

The average man can burn around 100 calories in a single sex session. It's good cardio! But, according to a study in the Journal of the American Medical Association, the chance of having a heart attack increases with the more sex you have. So, it's not all fun and game. Here are a few examples of famous men who died in the saddle.

Pope John XII. Most evidence points to John having a paralytic stroke while bonking a young woman named Stefanetta. However, some historians say that Steffanetta's husband may have thrown the Pope out of an open window or beat him to death with a hammer.

Nelson Rockefeller. Fabulously wealthy and immensely powerful, the 41st Vice-President of the United States liked to shag. His first wife divorced him due to his inability to stay monogomous. He died at 70, allegedly prick-deep in his 25-year-old aide.

Patrick Troughton. Rumor has it that Mr. Troughton, an actor perhaps best known for his role as The Doctor in the BBC's *Doctor Who*, died while having sex with an eager fan at a sci-fi convention. His doctors had cautioned him against engaging in strenuous activities, but it seems that the allure of a romantic encounter with a nerdy convention girl was too tempting to resist.

You're too frail for such a beautiful ride, old man!

David Carradine. We're giving this one partial credit. The actor known best for his roles as Shaolin monk Kwai Chang Caine in the TV show *Kung Fu* and Bill in the *Kill Bill* movies, died in Bangkok, Thailand when a freaky auto-erotic asphyxiation session got out of control.

OOPS! Nudity on the airwaves.

You're reading an adult magazine right now, so you're no stranger to the excitement of seeing a beautiful pair of breasts. There's nothing quite like it. Even more exciting is seeing a naked person when you're least expecting it. Here are some blink-and-you'll-miss-it moments of accidental nudity on TV.

One of the funniest moments to happen at the Oscars wasn't scripted. In 1974, 33-year-old Robert Opal ran across the stage naked while actor David Niven was about to present the Best Picture award for *The Sting*. Opal jogged, penis flapping, and flashed a peace sign while grinning from ear to ear. Niven laughed and said, "Isn't it fascinating to think that probably the only laugh that man will ever get in his life is by stripping off his clothes and showing his shortcomings?" NBC broadcast the whole thing live, leading to some hilarious watercooler conversations the next day.

"Yolanda Bowsley, come on down!" Those were the cheery instructions to a happy contestant on *The Price Is Right* in 1977. Yolanda, a housewife, bounded down the steps of the theater to meet host Bob Barker and try her hand at winning expensive toys and gifts. Unfortunately for her, but very fortunate for any impressionable youths at home, her tube top wasn't doing its job that day. As she jumped in the air, her tits popped out. They stayed out for her entire jaunt to the stage. When she finally realized her mistake, she spun around, re-topping her beauties. Bob Barker commented, "I have never had a welcome like this!"

Vanda

Budapest, Hungary

"Thinking about guys jacking to my pics drives me crazy."

We first showed you Vanda two issues ago. "Posing for your magazine was so much fun, I knew I'd have to do it again," she told us. "Last time, I told you guys I was single and not looking for any serious relationships. Well, that didn't work out. I got myself a boyfriend! We were only going out for a few weeks before I told him that I'd done a naked photoshoot. He was intrigued and demanded to see the mag."

"My boyfriend was super chill about his girlfriend posing naked for the world to see. It kinda turned him on. He asked if I minded if he jerked off to my pictures, which made me laugh. Of course I didn't mind! That's why I took them in the first place. I want guys to see me, want to fuck me and use me as their jerkoff material. That's the whole point of shooting porn, right? It's supposed to be a turn-on."

"My last boyfriend was really possessive and controlling. I didn't realize how much he turned me off until I had a few months away from him. He was good in bed, but he made me feel terrible. It was bad. My new boyfriend is the exact opposite. He's caring and sweet, and he's even better at sex! He's not as big as my ex, but he's better with his tongue and fingers. And, he can go multiple times in a night. He even told me that if I absolutely had to have sex with a big dick, he'd let me do it. He's the best boyfriend."

Go sit on it!

"I just bought a new buttplug that I'm obsessed with. It's thicker than anything else I've ever had in my ass, and it has a vibrating function that feels amazing for me and my boyfriend when we use it while having sex."

Daisy

Miami, Florida

Meet Daisy, a young cutie with an insatiable sexual appetite, little titties and a pink, hairless slit. "I'm your typical Miami girl," Daisy explained to us. "I like to have fun, party, hang out with friends and go out on dates. Anything on the water is fun for me. If you have a boat and are willing to take me and my friends out, we're gonna have a good time. The ocean is an aphrodisiac for me."

"A few weeks ago, my friends and I were chillin' at Surfside Beach. We met some boys who were obviously looking for any girls willing to talk to them. We all hit it off. I ended up jacking one of them off under a beach blanket. I totally would have sucked him or screwed him, but that would have gotten us busted. It was still really hot. He nutted in my hand and on my wrist and I had to rinse off in the water."

Show me how it works.

"Nothing turns me on more than kissing and licking around the ears and neck. One of my friends told me her boyfriend did it to her and it nearly made her cum. I didn't believe her, so I made her do it to me. It definitely works!"

Erika

Tampa, Florida

If you're not subscribed to this magazine, then this is the first time you're seeing Erika. That's a bummer. She had an intense outdoor lezzie sex session with her friend Margo in our last issue, NN3003. You can pick up that issue on page 17. But, if watching two young, horny girls lick, finger and suck on each other next to a lake isn't your thing, this set of Erika outdoors by herself is still pretty fuckin' fantastic. She's an enthusiastic masturbator.

Gotta keep it a secret.

"I have to hook up outside because my dad would freak out if he knew that I'm having sex. He's just very old-school about that sort of stuff. He'd have a heart attack if he knew that I've already fucked a dozen guys."

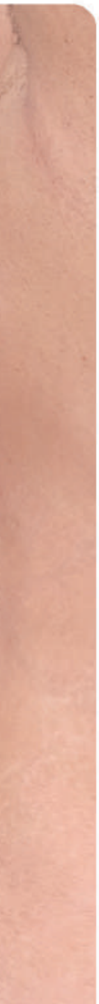
Annalena

Houston, Texas

Annalena is originally from Chicago, but she moved down to Texas for college. She's having a great time. "I've been vegan for a couple of years now, and Houston has a ton of very good food options for me. The people are also really chill. I've always had a bit of a thing for cowboys, so the whole Wrangler jeans and cowboy hat look get my motor running."

Annalena enjoys reading and writing poetry. She also likes going to see live music. "There's always something going on near my school," she told us. "I like rock and punk music, which I think surprises people when they meet me. I know that I look like a sheltered little blondie, but I have a wide range of interests that I'm very passionate about. I'm full of surprises. For instance, some of my friends would never think I'd do porn in a million years."



"You might be shocked to know that I've only been having sex for a year. I lost my virginity last year. I was definitely late to the game. I never dated anyone in high school, and I decided at a house party last year that I didn't want to be a virgin forever, so I hooked up with a cute guy. It went great, and we've hooked up a couple of times since then. I've only been with a few guys after him, too. I'm pretty new to everything sexual, and I can't wait to try everything at least once."

Paint her pretty face!

"Even though I haven't had a ton of sex, I'm already figuring out what I like. For instance, swallowing is fun, but sometimes it's overwhelming. I like getting cum on my chest. Facials are really hot, but it's hard to clean off!"

Mila

Saint Petersburg Russia

We shot some tantalizing photos of Mila using a vibrator to make herself cum. They were a hit with readers and online, so we asked her to come back. There was a catch this time, though. We wanted to see her fuck. "Are you kidding me? That would be a dream," she told us. "Just make sure the guy has a big cock and lots of stamina."

"I'm one of those girls who can get off easily. It's a gift," Mila explained. "I don't need a ton of foreplay, although that can be nice. But I do need the guy I'm fucking to pick a rhythm and stick with it for a while. I hate when I tell the guy that I'm about to cum and he starts going faster or slower. I need a consistent thrust!"

Thrusting and touching.

"My favorite position is spooning. It makes the guy's dick hit my G-spot kind of like doggie-style, but it also gives the guy access to my boobs, and I love having my tits massaged and squeezed while I'm having sex."

Popstar Miley Cyrus was acting as an emcee at the MTV Music Video awards in 2015 when she gave viewers at home a cheeky glimpse of her then-22-year-old body. Miley was inbetween costumes and stark nude when she was supposed to lead the production into an ad break. She pulled a curtain around herself and spoke directly at the camera, but without a microphone, she couldn't be heard. As an assistant handed one to her, her left breast poked free from the curtain and into the homes of millions of viewers. The cameras cut away, but Miley's voice was still being broadcast. She exclaimed, "What's happening? Oh, sorry ... my titties out?"

Last year, the Olympics were broadcast by NBC. And, if you're a fan of women's water polo, you

POOL PARTY Pussy

It's starting to get hot out! Why not invite over some girls?

This summer is a golden opportunity for you to throw an unforgettable and sexy pool party that your friends will rave about for years to come! Picture this: girls laughing, music bumping, and everyone splashing around in the water, soaking up the sun together. We'll invite chicks like Tiffany and her perfect 36D-cup tits. You know Kita is always good for a lay. Franziska always gets horny when she's around you. Let's throw this party!

Kita
Franziska

These chicks always wear bikinis instead of bras and panties under their clothes in the summer. They're begging for a pool party. Kasey told me she might skip wearing a swimsuit because she's trying to get rid of her tan lines. If we invite all of our friends, they can help fuck Jessie and Megan. They're always trying to screw in your pool. How many times have you had their little friend Charli suck your cock on the pool deck?

Aria

You know those two hot MILFs we're always talking about, that blonde Desiree and her friend Sasha? Imagine if we introduced them to those bisexual teenage freaks Cassidy and her blonde friend Maddy. I guarantee we could watch them munch on each other's pussies for hours. That would be an all-time addition to the spank bank. And there are so many other chicks who want to get fucked and cum in the sun, man. So, how about it? Are you gonna throw this pool party, or what?

probably saw more than just a competitive game. During a match between the United States and Spain, Kamie Craig of the US pulled down a competitor's swimsuit, causing her boob to fall out. Women's water polo is a brutal, physical sport, and pulling on swimsuits is allowed, so these oopsies happen. In fact, the 2020 Olympics saw several televised pussies as a result of swimsuit pulling. Better tune in next time!

The most controversial and widely discussed moment of Super Bowl XXXVIII in 2004 came during halftime. Justin Timberlake and Janet Jackson sang a duet of the song Rock Your Body. The last lyrics are, "I'm gonna have you naked by the end of this song." With that, Mr. Timberlake yanked down on a part of Jackson's outfit, exposing her right tit, nipple bedazzled with jewelry. It is still the most rewatched TiVo moment of all time. CBS, the network that aired the incident, was fined $550,000.

Tales from the STRIP CLUB

We sat down with current and former strippers to ask about their most memorable moments from the back rooms of their clubs.

Every dancer has a story.

"I had a regular at a club who was in his 80s..."

"One time, I was dancing on stage and a guy walked up and told me that he wanted me to do a half hour in the back room with him. After I finished my set, I found him, and we headed back. He was carrying a huge duffel bag that a bouncer had

Zoey

Los Angeles, California

Curvy cutie Zoey sure knows how to have a good time! "I love showing off. I'm always flashing my tits whenever I'm out partying or hanging with friends," Zoey explained. "I really don't care. I'm quick to share nudes if a guy asks for them, too. I think having photos taken by a professional photographer will be awesome. Next time a guy asks for a nude, I'll send him one of these. That'll be so funny. Imagine asking for a quick tittie picture and ending up with a pro-quality shot."

"My hair color is natural, so I've heard the question, 'Does the carpet match the drapes?' a million times," Zoey lamented. "It's so played out. And, like, when was the last time you saw a girl in her 20s with a full bush? This ain't the '70s. Every single one of my girlfriends has a shaved pussy. I once tried to grow a cute little landing strip, but I hated it. It took work to keep it looking good, too. Pass!"

"I grew up playing field hockey, so I've also heard guys joking that I must be a lesbian. I guess that's a thing? To be honest, I thought I was a lesbian for a little while. I went down on a girl before I ever sucked a dick. But, the first time I had a dude who knew what he was doing, I knew that I could never give up dick. I still get horny for girls on occasion, so I guess I'm bi."

Who will volunteer?

"I've had my asshole licked just a few times, but I freaking love it. I wish I could find a guy who would bend me over, yank down my yoga pants and devour my ass like he was dying of thirst and my booty was a pitcher of water."

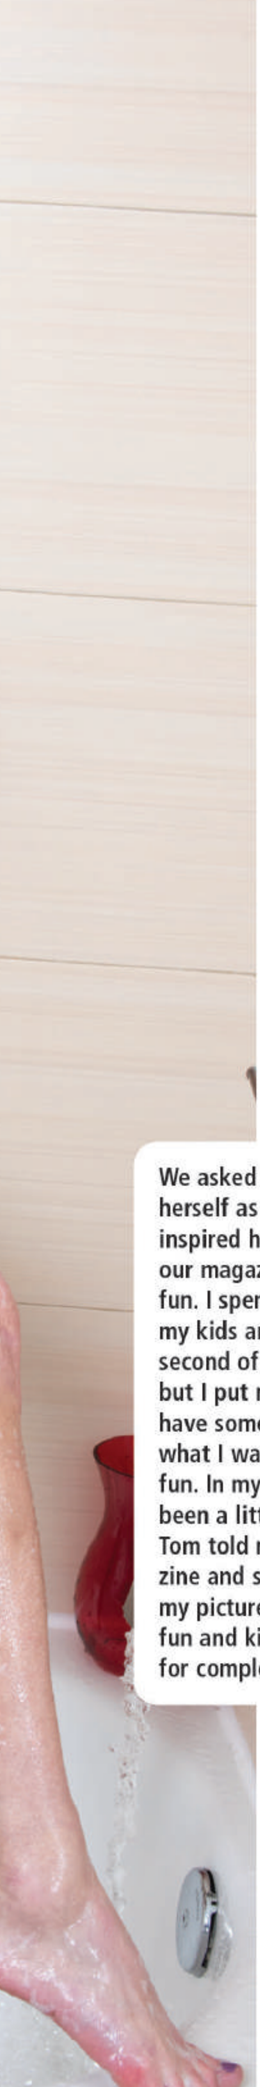
Ainsley

Fayetteville, Arkansas

Ainsley is a MILF with an incredible body. "I'm a runner," she told us. "A lot of guys my age have stopped staying active and fit, which sucks because I only want to date guys who take care of themselves and have their shit together." We asked Ainsley if that meant she would date a younger, fitter guy. "For sure! The youngest guy I've ever fucked was 24, and it was fine. He was sweet, but his inexperience was evident. It's hard to find the perfect balance with a sexual partner."



We asked Ainsley, who describes herself as a carpool mom, what inspired her to pose nude for our magazine. "It sounded like fun. I spent a long time raising my kids and don't regret a single second of my time with them, but I put myself on hold. Now, I have some time to think about what I want to do, and I want fun. In my head, I've always been a little kinky. My friend Tom told me about your magazine and suggested that I submit my pictures. What could be more fun and kinky than posing nude for complete strangers?"

Look, but don't touch.

"I've never had anal sex. I want to try it but can't get out of my head enough to take the leap. I watch anal porn sometimes when I masturbate, and it looks incredibly hot, but I don't know if I could ever let a guy do it to me."

Instead, he would tell us dirty stories. They were always similar. He would talk about us as if he was spying on us at the beach. You know, like he'd peek under the changing room stalls as we put on our bikinis. Or, he'd hide under a lifeguard tower as we applied sunscreen. Sometimes, he would say that he jerked off as we frolicked on the sand, but he never touched himself in the back room. It was all fantasy, and I liked to hear him talk."

the outskirts of a small, rural town. There wasn't much to do out there, so I think the farmers didn't have a lot to spend their money on except for us dancers. Anyway, there was one guy who grew soy beans and made candles as a hobby, so he used to give them out to the dancers. Another guy grew carrots and would bring crates of them every time he showed up at the club. It was hilarious. If I had a slow night, I could always go home and make myself some carrot soup."

Where are you gonna stick that carrot?

"One time, I had a guy who I'm 99 percent sure was a virgin. I can't be sure because he didn't speak a word of English. He was Asian, but I don't know any more than that. I recognized him because he was there every night I worked for a week. He must have been in town for business because he disappeared after that. Anyway, I took him to the back room, and he eventually, through the use of crude sign language and charades, told me that he wanted to finger me. He paid me $400 for the honor of finger-blasting my vag for around a minute." **NN**

Budapest, Hungary

If you polled a thousand women, you would be hard-pressed to find more than a handful who would say that their favorite position is 69. Lola is one of those magical ladies who loves sucking cock while sitting on a face. “I love that the better I suck, the better the guy will lick. I don’t need an incentive to give a great blowjob, but it’s a nice reward. Once, just as I throated a guy in 69, I squirted all over his face.”

"I hooked up with a guy last night," Lola informed us. "I told him I would shoot some pictures soon, and I think he wanted to make sure he gave me a good performance so I wouldn't talk smack about him with you. I thought he did a good job, but you really can't compare sex with a normal guy to sex with a porn stud. The guy I fucked for your magazine was just too good. He knew when to pound me hard and when to let me catch my breath."

We asked Lola if she had any hobbies or interests that might surprise us. "I'm a big fan of basketball," she responded. "I love the Chicago Bulls. I'm in love with Michael Jordan. I watch old YouTube videos of his highlights. He was so good and so cocky. I like that. One of my fantasies is going into an arena's locker room and having a gangbang with the players after a game. All those big guys filled with adrenaline and taking turns on me is my dream."

Homegrown naturals.

"I got tits before any of my friends, so I've been getting attention from boys for a long time. Maybe that's why I'm the horniest of all of my friends? Anyway, I think my boobs are my best attribute, if I had to pick."
